IMMEDIATE PRESS RELEASE
JULY 31, 2024

PLANNED FACILITY MAINTENANCE SHUTDOWN - 01/08/24 - 17/08/24

The Ghana National Gas Limited Company (Ghana Gas) wishes to bring to the attention of the general public that its Gas Processing Plant (GPP) and offshore Gas Export Facilities will be shut down from 1st to 17th August 2024.

The shutdown is to enable critical safety and essential maintenance works to enhance the plant's operational efficiency and uninterrupted gas supply.

During the shutdown period, Lean Gas from the Sankofa-OCTP field will be available for delivery at the Takoradi Distribution Station (TDS).

Ghana Gas deeply regrets any inconvenience that the shutdown may cause but assures the general public that there will be uninterrupted power supply during the shutdown period.

We are committed to maintaining the highest standard of safety and operational efficiency.
