PUBLIC NOTICE

RED NOTICE AGAINST KEN OFORI-ATTA DELETED PERMANENTLY: INTERPOL DOES NOT ENDORSE POLITICAL PERSECUTION

We are pleased to announce that, today, February 13, 2026, the Commission for The Control of INTERPOL's Files (CCF) has notified Kenneth Ofori-Atta that on February 4, 2026 during its 135th Session, it determined that the Red Notice issued against Mr. Ofori-Atta "appears of a predominantly political character" and is non-compliant with INTERPOL's rules, and shall be deleted from INTERPOL's files permanently.

Specifically, CCF stated that: *"After a thorough examination of the elements before it, the commission found that the challenged data registered by the INTERPOL National Central Bureau (NCB) of Ghana were not compliant with INTERPOL's rules and decided that they should be deleted from the INTERPOL information system."*
